First-visit checklist

South Florida Pediatrics, Inc.

Doral | (786) 360-2030

Have these items ready, and ask the office which documents are needed for your child’s visit.

What to bring

- [ ] The patient's insurance card and requested identification. For a minor, bring the parent or legal guardian's photo ID.
- [ ] Vaccine history and available medical records.
- [ ] A list of current medicines, allergies and questions.
- [ ] Any required referral or guardianship documents.
- [ ] For newborns, hospital discharge papers and any screening or vaccination records you received.

Before your visit

Confirm the appointment date and time with the office. You can call before completing registration forms.

Confirm your child’s specific insurance plan. Ask how to transfer records securely; do not email medical records.
